We're thrilled to report that China Mieville's Bas-Lag epic The Scar is being sent to the printer this week! If that isn't enough good news for you, Edward Miller, who painted the dust jacket for the original UK hardcover edition of the novel has generously allowed us to add this image to all of our editions of the novel as a frontispiece.

This is when directors or writers release details about plots, characters, back stories, or other elements they thought about adding to the story at one point but ultimately never did. Unlike All There in the Manual, however, this new information is not released as Word of God with the intention of being added to the Canon. These elements are only What Could Have Been but never were and never ...
