Rich Dad's Guide to Investing

Schroders a guide to investing 7 Investing money in the stockmarket offers opportunity for improved returns that are likely to exceed any interest rate a high street bank can offer. While it's true that the value of your stockmarket savings will fluctuate, introducing risk becomes less of an issue if you are investing over the longer term.

Schroders A guide to investing

Investing in its simplest terms is this: Making your money work so that it makes more money for you. The great thing about investing is that it's money that's working. Unlike people, money doesn't get tired, it doesn't get sick, and it doesn't get burned out. All money needs is a good master who knows how to invest.

A Beginner's Guide for Investing in the Stock Market by J3

to understand what investing is, what it means and how time earns money through compounding. But it doesn't stop there. This tutorial will also teach you about the building blocks of the investing world and the markets, give you some insight into techniques and strategies and help you think about which investing strategies suit you best.
