2018 Clinical Practice Guidelines - Cigna

A great number of guidelines have been issued in recent years by the European Society of Cardiology (ESC), as well as by other societies and organisations. Because of the impact on clinical practice, quality criteria for the development of guidelines have been established in order to make all decisions transparent to the user.

2018 ESC Guidelines for the diagnosis and management of

guidelines, the term provider is used throughout the guidelines to mean physician or any qualified health care practitioner who is legally accountable for establishing the patientâ€™s diagnosis. Only this set of guidelines, approved by the Cooperating Parties, is official. The guidelines are organized into sections.
