Handbook of the Birds of the World | Lynx Edicions

producing a fully illustrated handbook covering every species of bird in the world is audacious enough; to actually bring it off at the level of quality established in this series will be an incredible accomplishment. At this point, the odds of completing the series sometime near the target of 2010 look very promising indeed.

532 Reviews [Auk, Vol. 117 - University of New Mexico

Handbook of the Birds of the World is a superb work that illustrates most of the species of Birds in the World (I infer there are some species not yet described that have not been treated by this series).
