

haunted paranormal america top pdf

In ghostlore, a haunted house or ghosthouse is a house or other building often perceived as being inhabited by disembodied spirits of the deceased who may have been former residents or were familiar with the property. Parapsychologists attribute haunting to the spirits of the dead and the effect of violent or tragic events in the building's past such as murder, accidental death, or suicide.

Haunted house - Wikipedia

This is a list of locations in the United States which have been reported to be haunted by ghosts or other supernatural beings, including demons.. States with several haunted locations are listed on separate pages, linked from this page.
