Dedication This text is dedicated to every high school mathematics teacher whose high standards and sense of professional ethics have resulted in personal attacks upon their character and/or professional integrity.

Explaining Logarithms

Homework, or a homework assignment, is a set of tasks assigned to students by their teachers to be completed outside the class. Common homework assignments may include required reading, a writing or typing project, mathematical exercises to be completed, information to be reviewed before a test, or other skills to be practiced.. The effect of homework is debated.
