The particular focus of How Children Succeed was the role that a group of factors often referred to as noncognitive or "soft skills" qualities like perseverance, conscientiousness, self-control, and optimism play in the challenges poor children face and the strategies that might help them succeed. These qualities, which are also sometimes called character strengths, have in recent ...

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times (Narrative Therapy, 2017).

The white savior is a cinematic trope in which a white character rescues people of color from their plight. Certain critics have observed this narrative in an array of genres of films in American cinema, wherein a white protagonist is portrayed as a messianic figure who often learns something about him or herself in the course of rescuing characters of color.
