Pages in category "Human physiology" The following 44 pages are in this category, out of 44 total. This list may not reflect recent changes ().

### **Category:Human physiology - Wikipedia**

Sex differences in human physiology are distinctions of physiological characteristics associated with either male or female humans. These can be of several types, including direct and indirect. Direct being the direct result of differences prescribed by the Y-chromosome, and indirect being a characteristic influenced indirectly (e.g. hormonally) by the Y-chromosome.
