Definition. Human rights education is defined as the learning process that builds up the required knowledge, values, and proficiency of human rights of which the objective is to develop an acceptable human rights culture. This type of learning teaches students to examine their experiences from the human rights point of view enabling them to integrate these concepts into their values and ...

### **Human rights education - Wikipedia**

Value education is the process by which people give moral values to each other. It can be an activity that can take place in any organisation during which people are assisted by others, who may be older, in a condition experienced to make explicit our ethics in order to assess the effectiveness of these values and associated behaviour for their own and others' long term well-being, and to ...

### **Values education - Wikipedia**

Living Values Education is an experiential values education program for children, young adults, parents, and children-affected-by-war. An effective character development program, it builds positive emotional and social skills for peace, including conflict resolution and tolerance.
