It has been a while since I published a long article, and I have been working for many hours on this follow-up to the August article, Why I Am No Longer a Lightworker. That piece generated a lot of positive responses, as well as tremendous resistance and scorn from those within the New (c)Age movement who are heavily invested in the illusions of the false light.

Update, 4/5/18: I just noticed a post in a MobileRead thread indicating that there are now Calibre plug-ins available for handling KFX. So, there may no longer be any need to use these workarounds. Things just got a little harder for folks who like to store their Amazon purchases in Calibre. I noticed it myself!

During the five or six year window I hooked up with black girls I found that this affliction didn't discriminate in the least. The good looking, the average looking, the chubsters (more on that later), the clubbers, the church goers, the employed, the unemployed, the slutty, the "snowflakes" (who, of course have only slept with their six baby daddies and nobody else) all had children.

Amazing news: Researchers in Switzerland have separated an Electron into two smaller quasi-particles – a “Spinon” and an “Orbiton,” meaning they have physically separated the spin and the orbit properties of an Electron. Until now, standard physics generally accepted that an Electron was a fundamental particle – that it was not made of smaller components.
