i thought we agreed pdf

Thought encompasses an aim-free flow of ideas and associations that can lead to a reality-oriented conclusion. Although thinking is an activity of an existential value for humans, there is no consensus as to how it is defined or understood. . Because thought underlies many human actions and interactions, understanding its physical and metaphysical origins, processes, and effects has been ...

Fair points! And of course I'm not suggesting that people who become patients are actually misunderstood artists! Now, there's an interesting study showing that when you ask people who have recovered from "thought disorder" what they actually meant at the time, they are often able to provide pretty decent explanations.
