

innovations in health literacy pdf

Health literacy is the ability to obtain, read, understand, and use healthcare information in order to make appropriate health decisions and follow instructions for treatment. There are multiple definitions of health literacy, in part, because health literacy involves both the context (or setting) in which health literacy demands are made (e.g., health care, media, internet or fitness facility ...

Health literacy - Wikipedia

Health literacyâ€™the ability to obtain, process, and understand basic health information and services to make appropriate health decisionsâ€™is essential to promote healthy people and communities. Health care institutions and public health systems play a critical role in health literacy, because ...

Diffusion of innovations is a theory that seeks to explain how, why, and at what rate new ideas and technology spread. Everett Rogers, a professor of communication studies, popularized the theory in his book Diffusion of Innovations; the book was first published in 1962, and is now in its fifth edition (2003). Rogers argues that diffusion is the process by which an innovation is communicated ...
