Insider trading is the trading of a public company's stock or other securities (such as bonds or stock options) by individuals with access to nonpublic information about the company. In various countries, some kinds of trading based on insider information is illegal. This is because it is seen as unfair to other investors who do not have access to the information, as the investor with insider ...

An insider is a member of any group of people of limited number and generally restricted access. The term is used in the context of secret, privileged, hidden or otherwise esoteric information or knowledge: an insider is a "member of the gang" hence knows things outsiders don't, including insider jargon.. In our complicated and information-rich world, the concept of insider knowledge is ...

Introduction. One of the many changes our world has experienced in the last few decades is the resurgence of Islam. As the post-colonial nation-states of the West have implemented open immigration policies and promoted multiculturalism, western civilization has opened its doors to thousands of Muslims who have been welcomed as citizens.
