Context Migration trends in the Americas. Migration is not a new phenomenon, despite its seemingly sudden rise to global attention. The movement of people, whether within country borders or across international borders, has been occurring for centuries and has recently become a major feature of globalization.

Central national statistical services. Nearly every country in the world has set a central public sector unit entirely devoted to the production, harmonisation and dissemination of official statistics that the public sector and the national community need to run, monitor and evaluate their operations and policies. This central statistical organisation does not produce every official statistic ...

FAO/WHO framework for developing national food safety

International aid has been provided to Palestinians since at least the 1948 Arab-Israeli War, following Israel's Declaration of Independence. It has played a major role in the Israeli-Palestinian conflict as the Palestinians claim it has been used as a means to keep the peace process going, and the Israelis that it is used to fund terrorism. The Palestinian National Authority in the West ...
