An archive is an accumulation of historical records or the physical place they are located. Archives contain primary source documents that have accumulated over the course of an individual or organization's lifetime, and are kept to show the function of that person or organization. Professional archivists and historians generally understand archives to be records that have been naturally and ...

Christianity in China appeared in the 7th century, during the Tang dynasty, but did not take root until it was reintroduced in the 16th century by Jesuit missionaries. Today, it comprises Catholics, Protestants, Evangelicals and a small number of Orthodox Christians. Although its lineage in China is not as ancient as Taoism, Mahayana Buddhism or Confucianism, Christianity, through various ways ...
