Traditionally, an Islamic garden is a cool place of rest and reflection, and a reminder of paradise. The Qur'an has many references to gardens, and the garden is used as an earthly analogue for the life in paradise which is promised to believers: . Allah has promised to the believing men and the believing women gardens, beneath which rivers flow, to abide in them, and goodly dwellings in ...

A brief survey of calligraphy on coins explores a field of islamic art which is hardly known although often admired, and commentary is sometimes given on the calligraphy of single issues. The art of writing on coins established itself at the moment when the Qur'anic message became an iconic symbol of Islam and its empire.
