Tea is an aromatic beverage commonly prepared by pouring hot or boiling water over cured leaves of the *Camellia sinensis*, an evergreen shrub (bush) native to East Asia. After water, it is the most widely consumed drink in the world. There are many different types of tea; some, like Darjeeling and Chinese greens, have a cooling, slightly bitter, and astringent flavour, while others have vastly ...

The history of tea is long and complex, spreading across multiple cultures over the span of thousands of years. Tea likely originated in the Yunnan region during the Shang dynasty as a medicinal drink. An early credible record of tea drinking dates to the 3rd century AD, in a medical text written by Hua Tuo. Tea was first introduced to Portuguese priests and merchants in Lebanon during the 16th ...

This essay examines the adulteration of tea in the contexts of free trade and the politics of empire. It contends that the importance of tea as a healthful, particularly British drink made the adulteration of the beverage a significant matter for social and moral concern. Adulterated tea was primarily from China and so was typed as "foreign" and unclean in contrast to tea imported from ...
