The law of mind in action; daily - Internet Archive

Â§ 2. All states of mind are immediately caused either by other states of mind, or by states of body. When a state of mind is produced by a state of mind, I call the law concerned in the case a law of Mind. When a state of mind is produced directly by a state of body, the law is a law of Body, and belongs to physical science.

The Laws of Mind - Sophia Project

ERNEST S. HOLMES THE SCIENCE OF MIND INTRODUCTION "The Science of Mind by Ernest Shurtleff Holmes originally copyrighted and published in 1926 has lain dormant in the back room of time. It is with pleasure that we make this fine publication available again. In so doing, we would like to call attention to the word "God" as used in this book.

THE SCIENCE OF MIND

A further consequence is that the mind is best considered as a property of organisms'™ interactions with their environment. The unit of analysis is the loop of action and perception, and the central concept is the notion of habit of action , which provides the embodied basis of cognition as the anticipation of action .
