Plenty of gaming memorabilia can be found in the museum's main building. Freedman said this, in tandem with the crystals' beauty, called to mind the placards next to art in a museum. In March, the

38-year-old Baltimorean landed his first show in a museum. Today, the best chance to see a Concorde is in a museum.

### **Museum | Definition of Museum by Merriam-Webster**

Art museums. An art museum, also known as an art gallery, is a space for the exhibition of art, usually in the form of art objects from the visual arts, primarily paintings, illustrations, and sculptures. Collections of drawings and old master prints are often not displayed on the walls, but kept in a print room.
