### **the music of painting pdf**

play different styles of music while participants are creating a painting of a figure. Offer some suggestions: a musician, a dancer, a friend, a self- portrait, etc. The best materials for this project are those that can be used more fluidly while the music is being played. Consider using watercolors or acrylic paint.

of nonrepresentational art reflecting its relationship with music and the belief that, like music, art is created from the depths of one's inner self and the purest way to express this is without recognizable imagery. The music and art connection can best be described in the late 19th century concept of synaesthesia or the blending of senses.
