It Consultant Support | United States | The Computer Consultants

Home | The Computer Consultants

Prior to 1995, literally prior to Windows 95, computer consultants were virtually all home-grown and self-educated. A few came from big business training. A few went through school to become certified and then went into consulting. But most computer consultants started by building machines and helping people install software.

I. Computer Consulting in the 21st Century

New York Computer Consulting has been servicing the New York Legal Market for over 25 years. Are you looking for a Computer Company that can help with your business needs?
