tells us that they "made" holy water at the beginning of each lunar month. It is quite possible that, according to canon 65 of the Council of Constantinople held in 691, this rite was established for the purpose of definitively supplanting the pagan feast of the new moon and causing it to pass into oblivion.

Today I was asked to bless water. It takes a lot longer and is more work, but I now only do the traditional blessing of water. Before I knew any better, I would just make the sign of the cross over the water and that was it. Later on when I got "The Roman Ritual" I was shocked by the complete blessing of water including exorcisms and adding exorcised salt to the holy water.
