the next decade what pdf

time frame of a decade, individual decisions made by individual people, particularly those with political power, can matter enormously. What I wrote in The Next 100 Years

The Next Decade: Where We've Been! And Where We're Going

critical role in the next decade. The idealist argument constantly founders on the prior debate between the right of national self-determination and human rights. The realist position assumes that the national interest of a 21st century empire is as obvious as that of a small 18th century republic.
