Penguin Classics is an imprint of Penguin Books under which classic works of literature are published in English, Spanish, Brazilian Portuguese, and Korean among other languages. Literary critics see books in this series as important members of the Western canon, though many titles are translated or of non-Western origin; indeed, the series for decades from its creation included only ...

Club Penguin was a massively multiplayer online game (MMO), involving a virtual world that contained a range of online games and activities. It was created by New Horizon Interactive (now known as Disney Canada Inc.). Players used cartoon penguin-avatars and played in a winter-set virtual world. After beta-testing, Club Penguin was made available to the general public on October 24, 2005, and ...
