The Poison Belt is the second book in the Professor Challenger series. Written in 1913, roughly a year before the outbreak of World War I, much of it takes place in a single room in Challenger's house in Sussex rather oddly, given that it follows The Lost World , a story set largely outdoors in the wilds of South America.

was to visit Professor Challenger at Rotherfield that I was asking for leave of absence. The fact is, that it is the anniversary of our main adventure on the plateau three years ago, and he has asked our whole party down to his house to see him and celebrate the occasion." "Capital!" cried McArdle, rubbing his hands and beaming through his glasses.
