The death of expertise is a rejection not only of knowledge, ... not limiting this complaint to politics, which get to in a moment. No, we now live in a world where the perverse effect of the death of expertise is that, without real experts, everyone is an expert on everything.

The Death of Expertise | Tom Nichols

Through the politics of expertise the state apparatus can justify its power and control. Experts are the pipeline through which specialized information is made available to decision makers (Hilgartner 2000; Pielke 2007) and by which decision makers can distance themselves from errors. But in contentious

on behalf of the Society for the Study of Social Problems

2 Introduction Shadow banking is a new topic in international political economy (IPE) and the sparse literature on this topic has little to say about the politics of expertise.

GEGI - Boston University

The Politics of Expertise offers a challenging new interpretation of politics in contemporary Britain, through an examination of non-governmental organisations. Using specific case studies of the homelessness, environment, and international aid and development sectors, it demonstrates how politics and political activism has changed over the last half century.

The Politics of Expertise - Matthew Hilton; James McKay

Accounting expertise, defined as a changing set of legitimated claims to competence, is fundamentally implicated in the politics of the product. For accounting expertise has been identified as an important part of the problem, rather than the solution.
