He finds themes expressed in these meetings similar to those recorded in Margery's Book, particularly the reassuring child-parent relationship with Christ, and Christ's repeated "injunctions to love" (p. 97). Hirsh also identifies a common "intimate tone" (p. 98) in Margery's narrative and in the expression of visions he himself witnessed.

Context. The Book of Margery Kempe is the earliest autobiography written in English, but for years it was known only through a book of extracts published in the sixteenth century. A copy of the original fifteenth-century manuscript finally appeared in 1934, in the collection of an English Catholic family.
