unearth some secret door through which to sneak in and discover the inner workings of this code. For millennia, scholars have been trying fruitlessly to solve the mystery of this code. Yet, they have been trying to solve it with reason, and this has been their downfall. You cannot crack this code with reason, so don't even bother trying.

L BOOK - Kabbalah

Secondly, they are making some good furniture and making it well, but you have better business skills, you know much about marketing and you are having information about where you can get cheap and good wood. Go in. Fight and win. The third instance is where you look around and see 15 giant companies already making furniture and competing hard.
