

### **the special theory ebook pdf**

It is the purpose of this book to provide an introduction to the Special Theory of Relativity which is accessible to any student who has had an introduction to general physics and some slight acquaintance with the calculus. Much of the material is at a level suitable for high school students who have had advanced placement in physics and mathematics.

### **An Introduction to the Special Theory of Relativity**

This Halcyon Classics ebook contains Albert Einsteins RELATIVITY, a fundamental treatise on Einsteins theory of the nature of gravity, space-time, and physics. This work also contains two supplemental essays, Ether and the Theory of Relativity, and Geometry and Experience originally published separately from Einsteins RELATIVITY.
