remarked that the family know a great deal about survival on a tropical desert island, considering that they come from a land-locked temperate country in Europe. But in reality, ordinary people of the age that the writer is describing knew a great deal more about nature than the average person does today, and were considerably better at DIY.

"Swiss Family Robinson" is the classic tale of a Swiss pastor, his wife and their four sons who find themselves shipwrecked on an isolated tropical island. Along with a couple of dogs, some livestock, pigeons and geese, "Swiss Family Robinson," is the story of a family's struggle to survive in a foreign land isolated from society.
