Although Peter Hammond's "The Tower of London" is quite possibly a pamphlet/ program distributed to tourists; its glorious illustrations and insightful history still provides an enjoyable, quick read for Anglophiles.

[PDF] Download The Tower of London | by Peter Hammond

Though the Tower (photo left) was always a part of London, Westminster Abbey was once over a mile from the capital city. For centuries, "London" just covered the area corresponding more or less to the Roman city. Today, this part of London is still called the City of London, and is the heart of the bigger "London".

The Ravens of the Tower of London are a group of at least six captive ravens which live at the Tower of London. Their presence is traditionally believed to protect The Crown and the tower; a superstition holds that "if the Tower of London ravens are lost or fly away, the Crown will fall and Britain with it".

A guide to the history of the Tower of London - TES Resources

The Tower of London is was built to look over the Saxton, and was built for the Kings and Queens to live in during their reign. But over time the tower started to be used for many different purposes, other than just for the King and Queen.

The Tower Of London English Literature Essay

The Tower of London was a prison and many famous prisoners were held there including Sir Walter Raleigh – he was held in the Bloody Tower for 13 years but made use of his time by writing The History of the World (published in 1614) and growing tobacco on Tower Green. The Tower of London held prisoners from the middle and upper classes so ...

Tower of London - History and Introduction - TripSavvy

The title suggests that this book is about the Tower of London when it is actually about events that occurred in and around the Tower of London. As the Tower was at the center of English government for seven or eight centuries, that makes this just another book skimming over English history.

Tower: An Epic History of the Tower of London by Nigel Jones

A dramatic history of the Tower of London places its story in a context of national and international events, drawing on primary sources to explore its diverse functions as a British symbol, epicenter for violent events and modern tourist attraction.
