

### **the urban community selected pdf**

So far as urban community is concerned, greater importance is attached to the individual than to the family. Nuclear families are more popular in urban areas. 4. Marriage: In case of urban community there is a preponderance of love marriages and inter-caste marriages. One also comes across a greater number of divorces.

### **20 Important Characteristics of Urban Community | Sociology**

Literature on urban community dynamics is replete with examinations of the process of decline. This focus on decline is evident in early and contemporary examinations of community life. As Phillip Clay observed in 1979: The last ten years have witnessed an unprecedented analysis of the prob-
