The rules used to determine the value of a fringe benefit are discussed in section 3. If the recipient of a taxable fringe benefit is your em-ployee, the benefit is subject to employment taxes and must be reported on Form W-2, Wage and Tax Statement. However, you can use special rules to withhold, deposit, and report the employment taxes.

Exchange-value must always be distinguished from use-value, because "the exchange relation of commodities is characterized precisely by its abstraction from their use-values" (127). In capital, money takes the form of that equivalence; however, money in fact hides the real equivalent behind the exchange: labor.
