the waning moon (eleanor Morgan #2) by Amy Cissell - GRANT

The Waning Moon is the second in the Eleanor Morgan series and I think I can pay Cissell no greater compliment than to say reading this book inspires me to read the first book in the series and to continue with the entire series, as it is completed.

Book review of The Waning Moon - Readers' Favorite: Book

While you can read The Waning Moon without reading the first book, you will be missing out on a lot of back story and relationship building that was established, as well as the events that brought them to where they are at now. Eleanor finds it difficult to trust, even those who are close to her. And she has reasons not to.
