evolution to have produced the living things on earth today. But many creationists do not hold a young-earth view. Young-earth creationists are convinced that the early chapters of Genesis indicate a recent creation date, and believe that other interpretations (including those of old-earth creationists) compromise the reliability of Scripture.

## **DC's TEACHING ABOUT CREATION EVOLUTION and Age of the Earth**

The focus in this regard is Young Earth creationism and the catastrophic nature of the global Genesis Flood keeping in mind that Genesis 1-11 is foundational to most of the significant doctrines of Holy Scripture. From this perspective there is a valid interplay between

## **LESSON PLANS FOR BIBLICAL APOLOGETICS**

Young Earth creationism is most famous for an opposition to the theory of evolution, but believers also are on record opposing many measurements, facts, and principles in the fields of physics and chemistry, dating methods including radiometric dating, geology, astronomy, cosmology, and paleontology.
